The D4ECLUB enables

- Those with expertise in Corporates and MSME companies to connect with budding Entrepreneurs , Start up enterprises & those keen to become self employed.
- Post under PROVIDER – what support you can offer or post under SEEKER – what support you require.
- Identify and interact with those who are keen in your post.
- Mentoring – does not require unding support alone, but it can also be **Knowledge support, Motivational support, Infra structure support** and help the Entrepreneur produce world class product or service.
- This activity does not require any personal meetings and those living far away can also Mentor an Entrepreneur.
- Build on an eco system to prosper.
- Have an inner happiness of having helped for creation of self employment.
