

ADOPT AN ENGINEER campaign

To identify the 'Right Student' just Download **D4ECLUB** Mobile App and post your Interest under **ADOPT AN ENGINEER**.

Statistics show that India has over 100 Million Youth, who are NOT prepared 'WELL' for Future. Also, 80% of 1.2 Million Engineers passing out every year are "NOT EMPLOYABLE!"

Can we do something about it? Together, WE CAN!

If you are an **INDIVIDUAL** or an **INDUSTRY**, we invite you to "**ADOPT AN ENGINEER**".

Identify a Student at the First year of Engineering this year and hand hold for the next 4 years to ensure that he/she will pass out in 2022 as 'Better Engineer !'

You can support the Student by:

- Personal Mentoring
- Providing Job for 30 days in a year
- Arranging In-plant Training in the relevant area of interest
- Sponsoring Additional Skill Acquiring Training
- Identifying good project ideas, which can enable Self Employment
- Educating about Work Culture , Professional Communication & Presentation Skills
- Guiding to practice - Discipline, Time Management & Teamwork

LET US UNITE TO MAKE "FUTURE INDIA" PROSPEROUS!
