Dear Mr. Raghunathan,

I am very happy to have participated in the launch function of "D4E Club" a mobile app connecting **Industries + Institutions + Individuals**, by the **Hon'ble Governor of Tamil Nadu** on **8<sup>th</sup> May 2018** at Chennai. I have seen the mobile app you have developed for the use of Students, Teachers and Institutions for their benefit of partnering up with Industries for **In-plant Training, Project Ideas, Job Placements, Industrial Visits, Start Up support and Expert Mentorship**.

The D4E Club mobile app is a unique digital platform for connecting Engineers globally, the app is simple and easy for use.

I am very happy to learn that this app will be offered free of cost for Students, Teachers and Colleges. I am happy that you as a **National President of ALL INDIA MANUFACTURERS' ORGANISATION** will be able to connect several MSME with Educational Institutions and thereby enable students to pass out as "**Smart Engineers**".

I wish your initiative all success and support AICTE Mission of bridging the gap between Industries and Academia.

Thanking You and with Warm Regards,

Yours sincerely,

(Anil D Sahasrabudhe)
